CSIR - CIMAP

***Online Skill Development-cum-Training Program on
Cultivation, Primary Processing, and Quality Aspects of
Commercially Important Aromatic Crops***

Mandate: The CSIR-Central Institute of Medicinal and Aromatic Plants (CSIR-CIMAP), Research Centre, Hyderabad (Telangana) was established in July 1982 on 12-hectare area as the regional node of CSIR-CIMAP, Lucknow for showcasing and promoting green technologies in Deccan Plateau. The Centre has been in the forefront in developing farmer-friendly, sustainable, production technologies and high yielding varieties of economically important medicinal and aromatic plants (MAPs) with export potential under resource constraint conditions for transforming wastelands and drylands into profitable green herbal farms. The Centre introduced and acclimatized number of MAPs in semi-arid tropics of Deccan Plateau and promoted large-scale cultivation. The Centre is disseminating CIMAP's technologies through awareness camps, training programs, exhibitions, media broadcasts and reports. The R&D endeavors coupled with extension activities of the Centre led to large-scale cultivation of MAPs in the states of Andhra Pradesh & Telangana with more than 5000 farmers cultivating MAPs in about 10000 hectares using CIMAP's varieties and technologies. The Centre has established market linkages to these farmers. The Centre continued to innovate to excel in MAPs green technologies and endeavor to be a friend of the farmer, a facilitator to industry & farmer linkages and a partner in the development of the region. The Centre is striving to be the preferred destination of farmers and industry to discover new dimensions of opportunities in MAPs sector.

About the Online Skill Development-cum-Training Program

1.	Duration	:	3 rd & 4 th March 2022 (two days)
2.	Timing	:	10:00 AM to 5:30 PM
3.	Host	:	CSIR-CIMAP Research Centre, Boduppal, Hyderabad - 500092, Telangana
4.	Intake	:	60-70 Participants
5.	Fee	:	Rs. 500/- (Rupees Five hundred only) per trainee-participant
6.	Last date for fee payment	:	25 th February 2022 (5:00 PM)
7.	Medium of Instructions	:	English/Hindi
8.	Mode of training program	:	Online (through Microsoft Team Application)
9.	Sponsored by	:	CSIR-Aroma Mission, Phase-II (HCP 0007)

Note: Seats are limited, and registration may be closed before last date, according to the number of applications received against the intake limit. This programme is only for Indian resident only.

OBJECTIVE:

1. To enhance knowledge on the nursery raising techniques, improved cultivation techniques, varieties of economically important aromatic crops like Lemongrass, Palmarosa, Vetiver, Citronella, Geranium, *Ocimum* spp., Mints, Rosemary, Patchouli, Davana etc.

2. To impart know-how on primary processing and improved distillation technologies, quality analysis, proper storage, value addition, marketing and utilization of aromatic plants in various industries etc.

COURSE CONTENT:

- Activities of CSIR-CIMAP
- Aromatic Plants suitable for southern part of country.
- Improved cultivation techniques of economically important Aromatic Plants with their economics.
- Resources and logistics required for large scale cultivation of Aromatic Plants
- Nursery raising techniques of important Aromatic Plants.

- Post-harvest processing techniques and various methods of distillation of aromatic plants.
- Quality analysis of aromatic essential oils by GC
- Proper storage of essential oils and herbs.
- Marketing aspects of essential oils and global status.

WHO SHOULD PARTICIPATE?

This Training Program would be useful for existing and new farmers, entrepreneurs, students, distillers, exporters/importers, perfumers, corporate houses for farming/contract farming and their processing with value addition. The participants will be required to download Microsoft Team Application (Mobile/Laptop/Computer) to participate in this training programme. Training link will be sent to register e-mail address of the participants. (Please notify your e-mail address on registration form).

COURSE FEE: Rs. 500/- (Rupees Five hundred only) per head.

The fee includes technical course material (soft copy), intellectual fee, expert's honorarium to the guest faculty etc. **The fee is payable online to following bank account.**

- **Bank Detail: (For Online transfer)**
Name of account holder: CIMAP, Hyderabad
Account No.: 31571047823 (Saving)
