About the Skill Development Training Programme

Title of The Course	Seven Days Short Term Skill Development Training Programme on “ Cultivation, Processing and Quality Control of Commercially Important Medicinal & Aromatic Plants (MAPs) ”
Duration	7 days
No. of Seats	50
Educational Qualification	B.Sc. Ag/B.Sc.(Science/Agriculture Science) B.Pharma/ M.Pharma, B.Tech (Biotechnology), Bachelor of Management etc.
Age Group	18-50 years
Date of commencement	12-18 December, 2022
Venue of Course	CSIR-CIMAP, Kukrial, Picnic Spot, Lucknow
Course fee	Rs 14,000 (Residential) . Fee will be collected through draft or RTGS in favour of Director CSIR-CIMAP Payable at Lucknow Bank Detail - State Bank of India Account no.- 30267691783 IFSC code SBIN0000125 MICR code 226002002
Residential/Non Residential	Residential
Contact	Dr. Alok Kumar Krishna, Chief Scientist & Coordinator Phone : 0522-2718595/659 Mobile no. 9795873638 E-mail : a.krishna@cimap.res.in

Gas Chromatograph

- Perkin Elmer Auto system XL GC
- AGILENT 7890 B GC
- VARIAN CP-3800 GC with COMBI-PAL HS

Gas chromatograph used for separation and analysis of compounds that can be vaporized without decomposition.

Training for whom: The programme targets to provide training for the youth graduate of any disciplines in both basic and applied aspects of agro and post harvest practices of medicinal aromatic plants.

Management and faculty: Faculty for the course is drawn from the vast expertise of CSIR- CIMAP and more importantly few faculties would be co-opted from the branded industries and lead bankers. CSIR-CIMAP has a well-knit management structure of the lines of all CSIR laboratories. A dedicated skill development group of seminar and training section in CSIR-CIMAP provides the necessary support to these training courses.

Selection Procedure: First Come, First Serve Basis.

Methods of instruction: In the training programme, participants will be well trained on theory and practical aspects of the cultivation, processing and quality control as per the USP guidelines of medicinal and aromatic plants, hands on training will have potential employment opportunities, will acquire adequate expertise to start their own farming, quality QC/QA of raw herbs /oils for suppliers and traders and will be referred for suitable placements in agri- industries as skilled manpower. Medium of instruction will be in Hindi and English. Test examination will be done during the course.

Sponsorship: Industrial sectors are welcome to sponsor candidates of their interest or non-profit making social organization or voluntary research organizations or Farmers Production Company.

SALIENT FEATURES OF THE TRAINING

- 50% Theory and 50% practical sessions as per the course curriculum Tutorials (personal attention)
- Lectures, assisted with multimedia aids
- Case studies
- Group discussions
- Hands - on — practical experience on the state-of-the-art equipment / machinery Industrial visit
- Overall knowledge about medicinal crops.
- Assignments
- Potential placements and good demand in the agri- business.

EVALUATION OF TRAINEES: Evaluation will consist of the following components

THEORY COURSE

- (a) Continuous assessment through assignments (40%)
- (b) Mid Term and final examination (60%)

PRACTICAL COURSE

- (a) Guided Experiments (30%)
- (b) Unguided Experiments (70%)

CERTIFICATION: A Certificate will be issued to the successful candidates.
