

CSIR CIMAP Research Centre, Bengaluru:

CRC-B/Aroma Mission Phase II/2021

26 February 2021

A three day training programme from 2-4 March, 2021 under Aroma Mission Phase II (HCP 0007) was scheduled to be conducted at CSIR-CIMAP Research Centre, Bengaluru. So far, there is poor response with only 12 registered persons, many of whom are from Maharashtra. Due to prevailing COVID-19 pandemic situation in neighbouring Maharashtra and Kerala and the imposed travel restrictions in Karnataka from these state, it is proposed that the training programme be postponed to 23-25 March, 2021. Director is requested to kindly approve rescheduling the training programme.
